Leadership Institute

INNOVATION: Inspiring Nursing Leaders of the Future

The Regional Leadership Institute focuses on the essential skills that novice and expert leaders need to successfully manage and lead an organization to advance its mission. The objectives of this year's program are:

1. Discuss the science of high reliability healthcare and specific tools and methodologies to drive change.
2. Describe the six tools for performance improvement and eight steps of problem solving.
3. Explain the five key steps in the Swarm process and discuss how it impacts effective patient safety culture.
4. Discuss transformational leadership strategies to drive accountability for improving quality, patient experience, patient safety, and operational efficiency.

The Leadership Institute is open to all chapter members, officers, leaders and potential future leaders; there is no limit to the number of chapter members who may attend for \$40.00 each. We highly recommend the program for chapter and sub-chapter Presidents and Presidents-elect.

Guest Speakers

Jeff Norton, MSME, BSME
Vice President and Chief Performance Officer UC Health.
 Mr. Norton is a recognized leader for high reliability/LEAN/TPS technique. He has hands on experience for leading quality and safety in healthcare institutions.

Jennifer Jackson, DNP, RN, NEA-BC
Interim CAO & CNO for UCMC
 Ms. Jackson is a key proponent of innovation, empowerment, and professional growth at UCMC.

Todd Osborne, BSN, RN
 Mr. Osborne is a legal Nurse consultant at University of Cincinnati Medical Center and is an expert in root cause analysis.

The Philippine Nurses Association of America Foundation (PNAAF) is approved as provider by the California Board of Registered Nursing, Provider Number 14143 for 8.1 contact hours.

Education Series

INNOVATION: Inspiring Nurses of the Future

Education Day Objectives:

1. Describe roles and functions of PhD-prepared vs. DNP-prepared nurses.
2. Explore the characteristics and identify the educational needs of the different generations.
3. Compare the interprofessional collaboration practice examples with personal practice experience for improving population health outcomes.
4. Discuss the strategic priorities of the AAMN Foundation and explain the nuances of gender distinctions as they relate to caring.
5. Describe the development of the Ohio Action Coalition and explain the importance of developing a more diverse nursing workforce.
6. Describe the evolution of teamwork training and explain the Team STEPPS course.
7. Discuss the molecular targets of new treatment development efforts in fragile X syndrome and the varying behavioral presentations of fragile X syndrome.
8. Distinguish different approaches for fetal intervention.
9. Identify risk factors for pressure ulcer development in the OR and describe interventions to reduce risk during surgery.

The Philippine Nurses Association of America Foundation (PNAAF) is approved as provider by the California Board of Registered Nursing, Provider Number 14143 for 5.1 contact hours.

*Speakers Katherine Staubach and Justeen Keahey are awarding their own contact hours.
